# CS/IT - 703

## **B.E. VII Semester**

Examination, December 2016

# **Cloud Computing**

Time: Three Hours

Maximum Marks: 70

http://www.rgpvonline.com

- Note: i) Answer five questions. In each question part A, B, C is compulsory and D part has internal choice.
  - ii) All parts of each question are to be attempted at one place.
  - iii) All questions carry equal marks, out of which part A and B (Max.50 words) carry 2 marks, part C (Max.100 words) carry 3 marks, part D (Max.400 words) carry 7 marks.
  - iv) Except numericals, Derivation, Design and Drawing etc.

#### Unit - I

- a) What is trusted Cloud Computing?
  - b) Discuss the characteristics of Cloud Computing.
  - c) How satellite image processing uses Cloud Computing?
  - d) Explain the Cloud Computing reference model.

OR

Discuss the environment and service requirements of Cloud Computing.

## Unit - II

- 2. a) What is Cloud Eco System?
  - b) What is virtual desktop infrastructure?
  - c) How testing under Cloud can be performed?
  - d) What is Interoperability? Discuss the need of interoperability.

OR

Explain the types of Cloud and its standards.

### Unit - III

- 3. a) What is Virtualization?
  - b) What is VSAN?
  - c) How does an unauthorised access can be detected by the help of virtualization techniques?
  - Explain the characteristics and types of virtualization in Cloud Computing.

http://www.rgpvonline.com

http://www.rgpvonline.com

OR

Explain the concept of map reduce in Cloud Management.

#### Unit - IV

- 4. a) What is multitenancy issue in Cloud Computing?
  - b) Discuss the problems associated with Cloud Computing.
  - c) What is loss of control in Cloud images? Explain.
  - d) Explain the requirements of Secure Cloud Software.

OR

Explain Cloud Computing security architecture.

### Unit - V

- 5. a) What is Azure queues?
  - b) How virtualization employed in Azure?
  - c) Discuss the Cloud features of Aneka.
  - d) Describe the architecture of Cloud federation stack.

OR

Explain the major cloud features of Google applications engine.
